Re: Notification of Consummation of Transfer of Control of Licenses and Authorizations,
WC Docket No. 05-75

Dear Ms. Dortch:

On January 6, 2006, the transfer of control of MCI, Inc. and its subsidiaries to Verizon Communications Inc. ("Verizon") (FRN 0003257094) was consummated. I am writing to provide notifications of consummations for the transfer of control of the licenses and authorizations listed in Attachment A, pursuant to the FCC's November 17, 2005 Order.¹ For convenience, Attachment A provides both the file number included in the application and the file number or lead call sign from the initial authorization.

Verizon is today also separately filing the required electronic consummation notices for the wireless and experimental authorizations subject to this transaction.

If you have any questions regarding this matter, please contact the undersigned.

Respectfully submitted,

VERIZON
