**Re: PT Cable, Inc., International Earth Station (Call Sign: KA365)  
Regulatory Fee Payment Waiver Request**

Dear Ms. Dortch:

The above-referenced license is currently held by Terrence J. Donahue, as Chapter 7 Trustee for the bankruptcy estate of PT Cable, Inc. ("PT Cable"). See File No. SES-T/C-20050506-00555.<sup>1</sup> In light of PT Cable's anticipated liquidation, PT Cable is unable to pay the Commission's 2004 and 2005 Regulatory Fees. As PT Cable previously advised Commission staff, it intends to turn in the above-referenced license once the bankruptcy court approves this action. Accordingly, PT Cable requests a waiver of any Regulatory Fee Payments.

Please contact me should you have any questions.

Respectfully submitted,

Philip L. Malet

<sup>1</sup> An involuntary petition in bankruptcy was filed against PT Cable on January 5, 2005 and PT Cable consented to this filing. The Bankruptcy Court for the Western District of Washington entered an Order for Relief on March 22, 2005. On April 5, 2005, the Bankruptcy Court appointed Terrence J. Donahue to serve as the trustee of PT Cable's estate.
