

EXHIBIT

The instant application is part of a much larger transaction involving the merger of Albertsons Inc. and Supervalu Inc. via an exchange of stock and cash whereby Supervalu Inc. is the surviving entity. Each corporation is a publicly held and traded corporation. The authorizations held by Albertsons Inc. include Wireless Business Radio Service Licenses, Fixed Point-to-Point Microwave Common Wave Carrier Licenses, Transmit and Receive Earth Station Licenses, MMDS License and Section 214 authorizations. The list of licenses for which applications to transfer control are contemporaneously being filed is attached hereto.
