Re: SES T/C 20060330-00569 - E020312

Dear Ms. Dortch:

This letter is submitted to the Commission pursuant to 47 CFR 25.119(f) in reference to the above-noted satellite earth station file.

The underlying transaction to this application closed on July 20, 2006. Due to an inadvertent oversight and reliance on electronic filing, this letter notice was not submitted within the 30-day time-frame. Accordingly, waiver is sought for this delay. Waiver is appropriate because the Commission is notified herein within a short period past the deadline of the consummation of a transaction underlying an application presented to and granted by the Commission.

The undersigned may be contacted should you have any questions or require additional information.

Sincerely,

s/David Cosson
