Re: Licenses and Authorizations Listed in Appendix A

Dear Ms. Dortch:

On September 6, 2007, counsel for Inceptum 1 AS informed the Commission that pursuant to the authority granted by the Commission (*Authorizations Granted, Telenor ASA, Transferor, and Inceptum 1, AS, Transferee, Seek FCC Consent to Transfer Control of Licenses and Authorizations and a Declaratory Ruling on Foreign Ownership*, IB Docket No. 06-225, DA 07-2163 (IB, WTB & OET, rel. May 23, 2007)), the transfer of control of Telenor Satellite Services AS and its FCC-licensed subsidiaries to Inceptum was consummated on September 5, 2007. The purpose of this letter is to inform the Commission that, following that consummation, the names of two of those FCC-licensed subsidiaries were legally changed. Specifically, Telenor Satellite, Inc. (which holds various Title III licenses and Title II authorizations) became Vizada Satellite, Inc.; and Telenor Satellite Services, Inc. (which also holds Title II authorizations) became Vizada, Inc. A list of the licenses and authorizations held by Vizada, Inc. and Vizada Satellite, Inc. is contained in Appendix A hereto, which is the same as Appendix A of the Commission's May 2007 order.¹ Any questions with respect to the foregoing should be directed to the undersigned.

Respectfully submitted,

Keith H. Fagan
Senior Counsel
Vizada, Inc.

¹ Appendix A lists two additional subsidiaries whose names have not changed. Those are Marlink, Inc. and GMPCS Personal Communications, Inc., both of which hold Title II authorizations.
