Exhibit E
Parties to the Application

This application and other concurrently filed transfer of control applications request Commission consent to the transfer of control of Clear Channel Communications, Inc. ("CCC") and its licensee subsidiaries holding broadcast, earth station and private wireless radio authorizations (collectively, the "Transfer Applications"). FCC Form 312 transfer of control applications are being filed concurrently for the earth station licensee subsidiaries of CCC listed on Attachment A hereto.

The proposed transaction involves a transfer of control of CCC from the present shareholders of CCC to Thomas H. Lee Equity Fund VI, L.P. ("T.H. Lee") and Bain Capital (CC) IX, L.P. ("Bain," and together with T.H. Lee, the "Transferees").¹ At the closing of the transaction (the "Closing"), the transfer of control will be effectuated by the merger of BT Triple Crown Merger Co., Inc. ("MergerCo") with and into CCC, whereupon the separate existence of MergerCo will cease, and the surviving corporation ("Surviving CCC") will continue under the name "Clear Channel Communications, Inc." and under the ultimate control of T.H. Lee and Bain.

Information regarding the officers, directors, and voting stockholders of Surviving CCC is provided in Attachment B hereto.² As reflected in Attachment B, after the Closing, CC Media Holdings, Inc. (formerly named BT Triple Crown Capital Holdings III, Inc.) ("New Holdco") indirectly will wholly own Surviving CCC through two intermediate, single member limited liability companies. Clear Channel Capital IV, LLC, a Delaware limited liability company, will control approximately 70% of the voting rights in New Holdco. The two Transferees are the two members of Clear Channel Capital IV, LLC. Thus, each Transferee will have equal control over seventy percent (70%) of the voting rights in New Holdco. The remaining approximately thirty percent (30%) of the voting rights in New Holdco will be held by those current public shareholders of CCC that may elect to roll over a portion of their present interest in CCC into shares of New Holdco. The chart included as Attachment C depicts the proposed control structure of the Surviving CCC.³

¹ Affiliates of Transferees are in the business of managing capital and investing in a broad range of companies.

² For the convenience of the Commission, information furnished in Attachment B is provided in the same format as provided in response to Item 6(a), Section IV of FCC Form 315.

³ Except as may be otherwise specified, information provided in the Transfer Applications with respect to the Transferees pertains to the control of the Surviving CCC as it will exist as of Closing.

Amendment to Exhibit E
FCC Form 312, Schedule A, Item A20
August 2007

Both New Holdco and the Surviving CCC will have initial boards of directors consisting of twelve members. T.H. Lee and Bain will each have a right to appoint four directors to each board. Mark P. Mays and Randall T. Mays, currently officers and directors of CCC, also will serve as officers and directors of New Holdco and the Surviving CCC. The remaining two directors of New Holdco and Surviving CCC will be independent directors, one of whom initially will be selected by Highfields Capital Management LP ("HCMLP") and the other director will be initially selected by the nominating committee of New Holdco in consultation with HCMLP and other significant public shareholders, if any. Thereafter, the two independent directors will be selected by the holders of the shares issued as merger consideration to the present public shareholders that may choose to become shareholders in New Holdco post-Closing; provided, that until HCMLP owns less than 5% of the outstanding voting securities of New Holdco issued as merger consideration, New Holdco will nominate one independent director who is selected by HCMLP and will nominate the other independent director after consultation with HCMLP and other significant public shareholders, if any.

The Transferees will have the right to remove any of their designated directors and to designate the replacement for their designated director or directors. The officers of CCC duly appointed as of the date of the Closing will continue in their respective offices. Accordingly, the present CCC officers are reported below.

Attachment B has been supplemented to provide the percentage of total assets (debt-plus-equity) of CCC post-merger that would be held by each of the parties to the application. The percentages of total debt-plus-equity reported below are derived from the merger-adjusted *pro forma* condensed consolidated balance sheet on pages 34-35 of Amendment No. 3 to the Form S-4 Registration Statement of CC Media Holdings, Inc., submitted to the Securities and Exchange Commission on July 31, 2007. The merger-adjusted balance sheet shows total assets of \$32,799,566,000 and total shareholder equity of \$3,887,087,000, representing approximately 11.85% of total assets. Thus, no party to this application would have an interest in the total assets of CCC or its licensee subsidiaries that would exceed 33%.⁴ In addition, no single entity or person will have a debt interest in CCC post-merger that would amount to 33% or more of the total asset value (debt plus equity) of CCC. Thus, as previously reported, no party to the Transferees' section of the application will acquire attributable status as a result of the operations of the Commission's "equity-debt-plus" rule, 49 C.F.R. § 73.3555, Note 2(j).

⁴ The figures reported for officers and directors of a corporation do not include the percentages of equity and debt attributable to them solely because of their status as officers and directors. That figure, of course, would be identical to the total asset percentages reported for the corporation on which the officer or director serves.
