

**EXHIBIT E**  
**Form 312**  
**Schedule A, Paragraph A20**

This application seeks FCC consent to the acquisition of *de jure* control of Midwest Television, Inc. ("Midwest"), a Delaware corporation, the licensee of Domestic Satellite Temporary Fixed (Transportable) earth station E980001, by Ms. Elisabeth Meyer Kimmel (a U.S. citizen), who is currently a minority (11%) owner of the licensee. Midwest is the licensee of KFMB-TV in San Diego, California, which uses the satellite earth station for digital satellite news-gathering (DSNG).

Ms. Kimmel's family, through their interests in Midwest, have owned the San Diego stations for over four decades. Midwest has 1,000 shares of issued and outstanding Class B voting stock.<sup>1</sup> Below are charts showing the voting and beneficial owners of the Class B voting shares Before and After the distribution of the voting shares from the 1997 Annuity Trusts.

**BEFORE**

August C. Meyer, Jr. owns and votes:	490	49%
Gregory B. Lykins, Trustee of 1997 August C. Meyer, Jr. Annuity Trust votes:	200	20%

Elisabeth Meyer Kimmel owns and votes:	110	11%
<b>Total</b>	<b>1,000</b>	<b>100%</b>

**AFTER**

Elisabeth Meyer Kimmel owns and votes:	510	51%

Ms. Kimmel is the daughter of August C. Meyer, Jr. and Karen H. Meyer.<sup>2</sup>

---

<sup>1</sup> Midwest also has Class A stock but these shares are nonvoting.

<sup>2</sup> On December 18, 2006, the FCC's International Bureau gave its consent to the relinquishment of *de jure* control of Midwest which would result from the transfer of 110 of Mr. Meyer's then 600 Class B voting shares to his daughter Ms. Kimmel, thereby decreasing Mr. Meyer's direct voting interest from 60% to 49%. (SES-T/C-20061213-02161). A consummation notice was filed December 19. Ms. Kimmel has served as an officer of Midwest since 1997.
