Re: Curtis Telephone Company, application for consent to transfer
control of receive-only earth station E3403 to Consolidated
Companies, Inc., File No. SES-T/C-20070222-00263
Notification of Consummation

Dear Ms. Dortch:

The Commission is hereby notified that the transaction for which Commission consent was requested in the above-referenced application was consummated on March 30, 2007. The Commission is further hereby notified that upon consummation of the transfer of control transaction, the licensee of E3403, Curtis Cable TV Company, Inc. (FRN 0003714912), was merged with and into Consolidated Cable, Inc. (CCI) (FRN 0003747201), a wholly-owned subsidiary of Consolidated Companies, Inc. (Consolidated), with CCI remaining as the surviving corporation after the intra-family merger. As a result, control of the license for receive-only earth station E3403 has now been transferred to Consolidated, and the license for station E3403 has been assigned to CCI as a wholly-owned subsidiary of Consolidated.

Should there be any questions concerning this matter, please feel free to contact the undersigned.

Very truly yours,

Thomas J. Moorman
