VIZADA Services LLC (formerly FTMSC US, LLC), Amendments to Applications for Section 214 Authority and for Earth Station Licenses and Petition for Declaratory Ruling, File Nos. ITC-AMD-20060804-00288, SES-AMD-20060804-01315, ITC-STA-20080416-00183, & ISP-PDR-20060804-00010

Supplemental Information Regarding Ownership

Dear Ms. Dortch:

Vizada, Inc. (“Vizada”) and VIZADA Services LLC (“VIZADA Services” and with Vizada, the “Parties”), by their attorneys and pursuant to Section 1.65 of the Commission’s Rules, 47 C.F.R. § 1.65, hereby supplement the record in the above-referenced proceedings to provide additional information regarding ultimate ownership of Vizada and VIZADA Services.

Ownership of MobSat Management: In their letter of August 10, 2009, the Parties provided updated information regarding the ownership of MobSat Management Sàrl (“MobSat Management”).¹ The letter advised that a transaction was planned to occur in September that would involve a new manager, Peter Augustsson, a citizen of Sweden, acquiring a 6.6% interest in MobSat Management. That transaction has now occurred. Accordingly, the ownership interests in MobSat Management held by individuals now total 64.7%. Apax France VI now owns 25.4% of Mobsat Management and Altamir Amboise

¹ See Letter from Karis A. Hastings, Counsel for Vizada, Inc. and VIZADA Services LLC, to Marlene H. Dortch, Secretary, Federal Communications Commission, File Nos. ISP-PDR-20080501-00011 *et al.*, filed August 10, 2009 (“August 10 Letter”) at 1-2.

SCA (“Altamir Amboise”) owns 9.9%. The total interest of Apax France VI in Mobsat Group Holding is now 54.3%, and the total interest of Altamir Amboise in Mobsat Group Holding is 21.1%. The updated information regarding ownership of MobSat Management is reflected in the chart attached hereto as Appendix A.

Ownership of Altamir Amboise: The Parties also hereby update information relating to ownership interests held by Apax Partners SA (“APSA”) and related individuals and entities in Altamir Amboise. These interests, which total 22.35%, are as follows: Apax Partners SNC holds 19.26%; APSA holds 0.62%; and other individual French citizens who are partners of APSA hold interests totaling 2.47%

Vizada AS: In March 2008 Vizada and VIZADA Services advised the Commission that a *pro forma* restructuring was planned that would reinsert Vizada AS into their ownership chain, and Vizada sought appropriate consents with respect to its existing licenses.² Due to changed circumstances since that time, the Parties no longer plan to go forward with that internal restructuring, and Vizada is in the process of withdrawing the relevant applications for Commission consent that remained pending. Because re-insertion of Vizada AS into the Parties’ ownership chain is no longer contemplated, Vizada AS has been removed from the attached ownership chart.

SES-T/C-20080307-00254/00255 (earth station licenses) and 0006-EX-TU-2008 (experimental authorizations), filed Mar. 7, 2008; and File No. 0003341992 (wireless authorizations) (filed Mar. 10, 2008).

A combined ownership chart reflecting the changes discussed herein is attached.
Please refer any questions regarding this matter to the undersigned.

Respectfully submitted,
