On October 29, 2009, the FCC granted the Applicant a 30-day extension of time, to December 3, 2009, to file the notification of consummation of the transaction. A copy of the date-stamped grant is attached. Re: Request of Extension of Time to Consummate *Pro Forma* Transfer of Control

Dear Ms. Dortch:

We hereby request, on behalf of our client, Cablevision Systems Holdings, Inc. ("Cablevision") extension of time, for a period of thirty (30) days, or until December 3, 2009 to consummate the transaction which is the subject of the applications listed below (the "Applications"). The Federal Communications Commission ("FCC") granted the Applications on September 4, 2009, as listed in an FCC Public Notice issued on September 9, 2009.^{1/}

Licensee	File Number
News 12 Company	SES-T/C-20090826-01084
News 12 Connecticut, Inc.	SES-T/C-20090826-01085
News 12 New Jersey LLC	SES-T/C-20090826-01086
News 12 The Bronx, L.L.C.	SES-T/C-20090826-01087
Rainbow Westchester Holdings, Inc.	SES-T/C-20090826-01088
Rainbow Network Communications	SES-T/C-20090826-01089

Pursuant to Section 25.119(f) of the rules, the current deadline for closing the transaction is November 3, 2009. Unfortunately, the conversion of corporate form described the Applications has taken longer than originally contemplated. Accordingly, the Commission is asked to extend the period of time by which consummation of the transaction is required to occur to December 3, 2009.

The FCC will note that while licenses other than those issued by the International Bureau are affected by the transaction, no extension of time is required with respect to the approval granted

by other FCC bureaus; we expect that the consummation of the transaction will occur within the period permitted by the actions of those other bureaus.^{2/}
