

EXHIBIT E

Ownership Information

Attachments 1 and 2 of this Exhibit depict, respectively, the current ownership structure (the “Pre-Transaction Ownership Structure”) of licensee New DBSD Satellite Services G.P. (“New DBSD”), a Delaware general partnership and debtor-in-possession, and the ownership structure that will exist (the “Post-Transaction Ownership Structure”) upon implementation of the court-approved chapter 11 plan of reorganization (the “Plan”) of New DBSD, its indirect parent company, and certain affiliates. As shown in Attachments 1 and 2, DBSD North America, Inc. (“DBSD NA”), a Delaware corporation whose primary business is satellite communications, will continue to be the controlling parent company of New DBSD; however, ownership of DBSD NA will change as a result of implementation of the Plan (the “Transaction”). DBSD NA is located at 11700 Plaza America Drive, Suite 1010, Reston, Virginia 20190.

ICO Global Communications (Holdings) Limited (“ICO Global”), a Delaware corporation, currently holds 99.84 percent of the outstanding equity of DBSD NA. Under the Transaction, all outstanding shares of common stock of DBSD NA will be canceled, and new common stock of reorganized DBSD NA (the “New Common Stock”) will be issued to certain of DBSD NA’s creditors and equity holders. Following the Transaction, as shown in the table below and in Attachment 2, no single shareholder will control reorganized DBSD NA, but three entities (each, a “Substantial Equity Holder”) will each hold between 10 percent and 22 percent

of the New Common Stock.¹ The New Common Stock will provide equal voting and equity rights to its holders. Only shareholders who will directly or indirectly own 10 percent or more of reorganized DBSD NA’s voting stock are identified in the table below and in Attachment 2.²

Upon completion of the Transaction, the identities, addresses, citizenship, and percentages of voting and equity stock of the Substantial Equity Holders will be as follows:

Substantial Equity Holder	Mailing Address	Citizenship	Maximum Expected Percentage of new Common Stock on Effective Date
Highland Capital Management, L.P. (“Highland”) ³	13455 Noel Road, Suite 800 Dallas, Texas 75240-6620	Delaware	21.73%
Chesapeake Capital Advisors, LLC (“Chesapeake”) ⁴	1201 N. Market Street Wilmington, Delaware 19801	Delaware	15.15%
Plainfield Asset Management LLC (“Plainfield”) ⁵	100 West Putnam Avenue Greenwich, Connecticut 06830-5342	Delaware	11.03%

¹ As explained in Exhibit F to the application, the equity ownership estimates provided herein are based on distributions under the Plan to the Substantial Equity Holders as (a) claimants under the Plan and (b) lenders under the exit facility that will fund the working capital needs of reorganized DSBD NA.

² ICO Global, which will be issued approximately five percent of New Common Stock under the Plan subject to dilution by the New Common Stock to be allocated to the exit facility lenders, will be among the entities holding less than 10 percent of the New Common Stock following the Transaction. *See* Exhibit F, Section III (B).

³ Highland holds and/or is expected to hold this interest through various managed/advised accounts. Strand Advisors, Inc., a Delaware company, is the general partner of and holds 100 percent of the voting interest in Highland. James Dondero, a U.S. citizen, holds 100 percent of the voting interest in Strand Advisors, Inc. Through agreements and his control over affiliated entities, Mr. Dondero will have *de facto* control over the New Common Stock controlled by Highland.

⁴ Chesapeake, a Delaware limited liability company, is a wholly owned subsidiary of DISH Network Corporation, a Nevada corporation. Charles Ergen, a U.S. citizen, controls Chesapeake through his majority voting control of DISH Network Corporation.

⁵ Plainfield is controlled by its Managing Member and Chief Investment Officer, Achim Maximilian Holmes, a U.S. citizen.

Directors

The Board of Directors of reorganized DBSD NA will consist of seven persons elected or designated as follows: (i) five directors who shall be designated by the holders of DBSD NA's senior notes, including two directors designated by Highland; (ii) one director who shall be designated by ICO Global; and (iii) one director who shall be the individual then serving as the Chief Executive Officer of DBSD NA. Michael P. Corkery, the Acting Chief Executive Officer of DBSD NA, has been designated a director of reorganized DBSD NA by ICO Global. The directors (other than those selected by a named shareholder and the CEO) shall be re-elected so that they serve for a minimum of two years following the effective date of the Plan, following which such directors shall be elected by the majority vote of the stockholders of reorganized DBSD NA.
