

## Exhibit E: Response to Items 34 and A20

### OWNERSHIP AND CONTROL OF VIZADA, INC.

By this application, Vizada, Inc. (“Vizada”) seeks Commission consent to the *pro forma* transfer of control of earth station licenses held by Vizada. The transfer of control will occur through a minor restructuring of Vizada’s ownership chain. Specifically, a majority of the shares of Vizada’s parent, Mobsat Group Holding S.à. r.l. (“MobSat Group Holding”) will be transferred to a new Luxembourg-based holding company, Chrysaor S.à. r.l. (“Chrysaor”). The post-closing ownership and control of Vizada is described in this Exhibit.<sup>1</sup> In addition, an ownership chart is attached.

Vizada is proposing only minor, non-substantial changes in its ownership structure as recently approved by the Commission in March 2010.<sup>2</sup> Vizada, a Delaware corporation, is and will remain an indirect wholly-owned subsidiary of MobSat Group Holding, a Luxembourg company. The proposed transaction involves transfer of a majority of the shares of MobSat Group Holding (88.3%) to Chrysaor. Chrysaor is a *société à responsabilité limitée* (the equivalent of a limited liability company) under Luxembourg law. A group of current shareholders of MobSat Group Holding will own 97.2% of the shares of Chrysaor post-closing, and through Chrysaor, will continue to hold substantial interests in Vizada. Specifically, Apax France VI (“Apax France”) will hold a 52.1% total interest in Vizada, Altamir Amboise SCA (“Altamir Amboise”) will hold a 20.3% total interest in Vizada, and Apax Parallel Investment V (“API V”) will hold a 14.9% total interest in Vizada. Apax France is a *fonds commun de placement à risques* (an investment fund) organized under French law. Altamir Amboise is organized in France as a *société en commandite par action*, which is equivalent to a limited partnership in the United States. API V is a Delaware limited partnership in which an interest of greater than 99% is held by Summer Street Satellite Holding Company, Ltd. (“Summer Street”), a Cayman Islands company. Summer Street is wholly owned by GEAM International Private Equity Fund, L.P., a private equity fund organized in Delaware that is sponsored by GE Asset Management, Inc.

Information regarding the five factors considered by the Commission in determining an entity’s principal place of business is provided below for Chrysaor, the transferee:

1. Country of Organization: Luxembourg.
2. Nationality of Investment Principals, Officers and Directors: The principal shareholders are French and U.S. entities; the sole manager is a citizen of France.
3. Location of World Headquarters: Registered office is in Luxembourg

<sup>1</sup> In May, Vizada submitted a Petition for Declaratory Ruling seeking approval of the proposed changes in Vizada’s foreign ownership that will result from insertion of Chrysaor into Vizada’s ownership chain. See *In the Matter of Vizada, Inc. Petition for Declaratory Ruling Pursuant to Section 310(b)(4) of the Communications Act*, File No. ISP-PDR-20100514-00009 (IB, filed May 14, 2010). That petition provides additional information regarding the proposed post-closing ownership structure of Vizada.

4. Location of Tangible Properties: N/A (Holding Company).
5. Location of Greatest Sales and/or Revenues: N/A (Holding Company).

With the exception of Chrysaor, the 10% or greater shareholders of Vizada post-closing will remain the same as those approved by the Commission in the *March 2010 Ruling*. Information regarding these shareholders' names, addresses, citizenship, principal business, and ownership percentages is already on file with the Commission,<sup>3</sup> and their identities and interests are also shown on the attached figure. **PUBLIC INTEREST STATEMENT**

By this application, Vizada, Inc. (“Vizada”) seeks Commission consent to the *pro forma* transfer of control of earth station licenses held by Vizada. The ownership structure of Vizada is being revised, with the result that a new holding company, Chrysaor S.à. r.l., will be inserted into Vizada’s ownership chain. No change is proposed in the operation of the licensed facilities. Ultimate ownership and control of the licenses will remain substantially unchanged, and service to customers will continue without interruption. The proposed *pro forma* transfer of control will serve the public interest by facilitating more efficient service to end users.
