Dear Ms. Dortch:

Through their counsel, eLandia International, Inc. (“eLandia”), and its operating subsidiaries formally notify the International Bureau of the consummation of the transfer of control to which the Bureau previously consented in the above-referenced file numbers.¹ As the Bureau is aware, the transfer of control of eLandia and its subsidiaries from Stanford International Bank Ltd. to eLandia’s CEO, Pete R. Pizarro, was consummated on February 6, 2009. The parties later sought and received Bureau consent to that transaction on August 26, 2010 (transfer of the international Section 214 authorizations and cable landing license) and January 26, 2011 (transfer of the satellite earth station authorization).

Respectfully submitted,
