

Public Interest Statement

This application is filed in connection with a corporate reorganization and seeks the FCC's consent to the *pro forma* transfer of control of the licensee ("Licensee") of the earth station authorizations ("Authorizations") that are the subject of this application. Grant of this application will advance the public interest by facilitating a corporate reorganization that will not result in any substantial change in the ownership or control of Licensee and will permit the continued use of the Authorizations without any disruption of Licensee's programming service to the public.
