**Re: Iridium Constellation LLC, Iridium Satellite LLC, and Iridium Carrier Services LLC, Request for Extension of Closing Deadline; File Nos. SAT-T/C-20101001-00206, SES-T/C-20101001-01275, SES-T/C-20101001-01274, SES-T/C-20101001-01273, SES-T/C-20101006-01266**

Dear Ms. Dortch:

Iridium Constellation LLC, Iridium Satellite LLC, and Iridium Carrier Services LLC (collectively, the "Iridium Licensees"), by counsel, respectfully request an additional 30 days—until January 10, 2011—to consummate the *pro forma* transaction that the Commission approved in the above-referenced proceedings.

On October 1, 2010, the Iridium Licensees sought authority for the *pro forma* transfer of control of all of the space and earth station authorizations held by the Iridium Licensees. Specifically, Iridium sought approval for a minor corporate reorganization pursuant to which Baralonco, N.V., a Netherlands Antilles entity, will be domesticated into a Delaware entity. On October 12, 2010, the International Bureau authorized this *pro forma* transfer of control.<sup>1</sup> Pursuant to Section 25.119 of the Commission's rules, 47 C.F.R. § 25.119, the deadline for consummating these *pro forma* transactions is 60 days after authorization—December 11, 2010.

The Iridium Licensees have not yet consummated this *pro forma* transfer of control. In order to enhance the corporate efficiencies of this *pro forma* change, the Iridium Licensees seek an extension of 30 days—until January 10, 2011—to consummate the *pro forma* transfer. Grant of this extension would serve the public interest by allowing additional time to complete the proposed corporate restructuring.
