Re: SES-T/C-20110225-00219 (Starz Entertainment, LLC) –
Request to Extend Consummation Period

Dear Ms. Dortch:

The above-referenced *pro forma* transfer of control application was filed in connection with the split-off of the Liberty Capital and Liberty Starz tracking group stocks from Liberty Media Corporation (“Liberty Media”). The International Bureau granted this *pro forma* transfer of control application on April 21, 2011.

Although Liberty Media’s shareholders approved the split-off transaction at a shareholder meeting held on May 23, 2011, because of certain pending litigation in Delaware, Liberty Media anticipated that it would not consummate the split-off transaction until late summer 2011. Consequently, by letter dated June 17, 2011, Liberty Media respectfully requested a 60 day extension of the consummation period until August 19, 2011. The International Bureau granted the requested extension (copy attached as Exhibit 1).

Although Liberty Media received a favorable ruling earlier this year in the Delaware litigation, an appeal of that ruling subsequently was filed. Liberty Media has requested expedited consideration of that appeal, and a hearing has been set for mid-September. Liberty Media therefore respectfully requests a further 60 day extension of the consummation period until October 18, 2011.
