

**Exhibit F**

**Public Interest Statement**

This application requests Commission consent to the *pro forma* transfer of control of CoxCom, LLC (“CoxCom”), licensee of earth station E880923 (the “Station”), from the Shareholders of Cox Communications, Inc. (the “Transferor”) to Cox Enterprises, Inc. (the “Transferee”). The Station is used by CoxCom in connection with its cable television operations, for news gathering and coverage of local events.

This transfer of control is *pro forma* in nature because the transaction will result in no change to the identity of the ultimate controlling entity of CoxCom, and will have no effect on the day-to-day operations of the Station. Accordingly, grant of this application would serve the public interest, convenience, and necessity.
