Information Concerning Ownership and Control

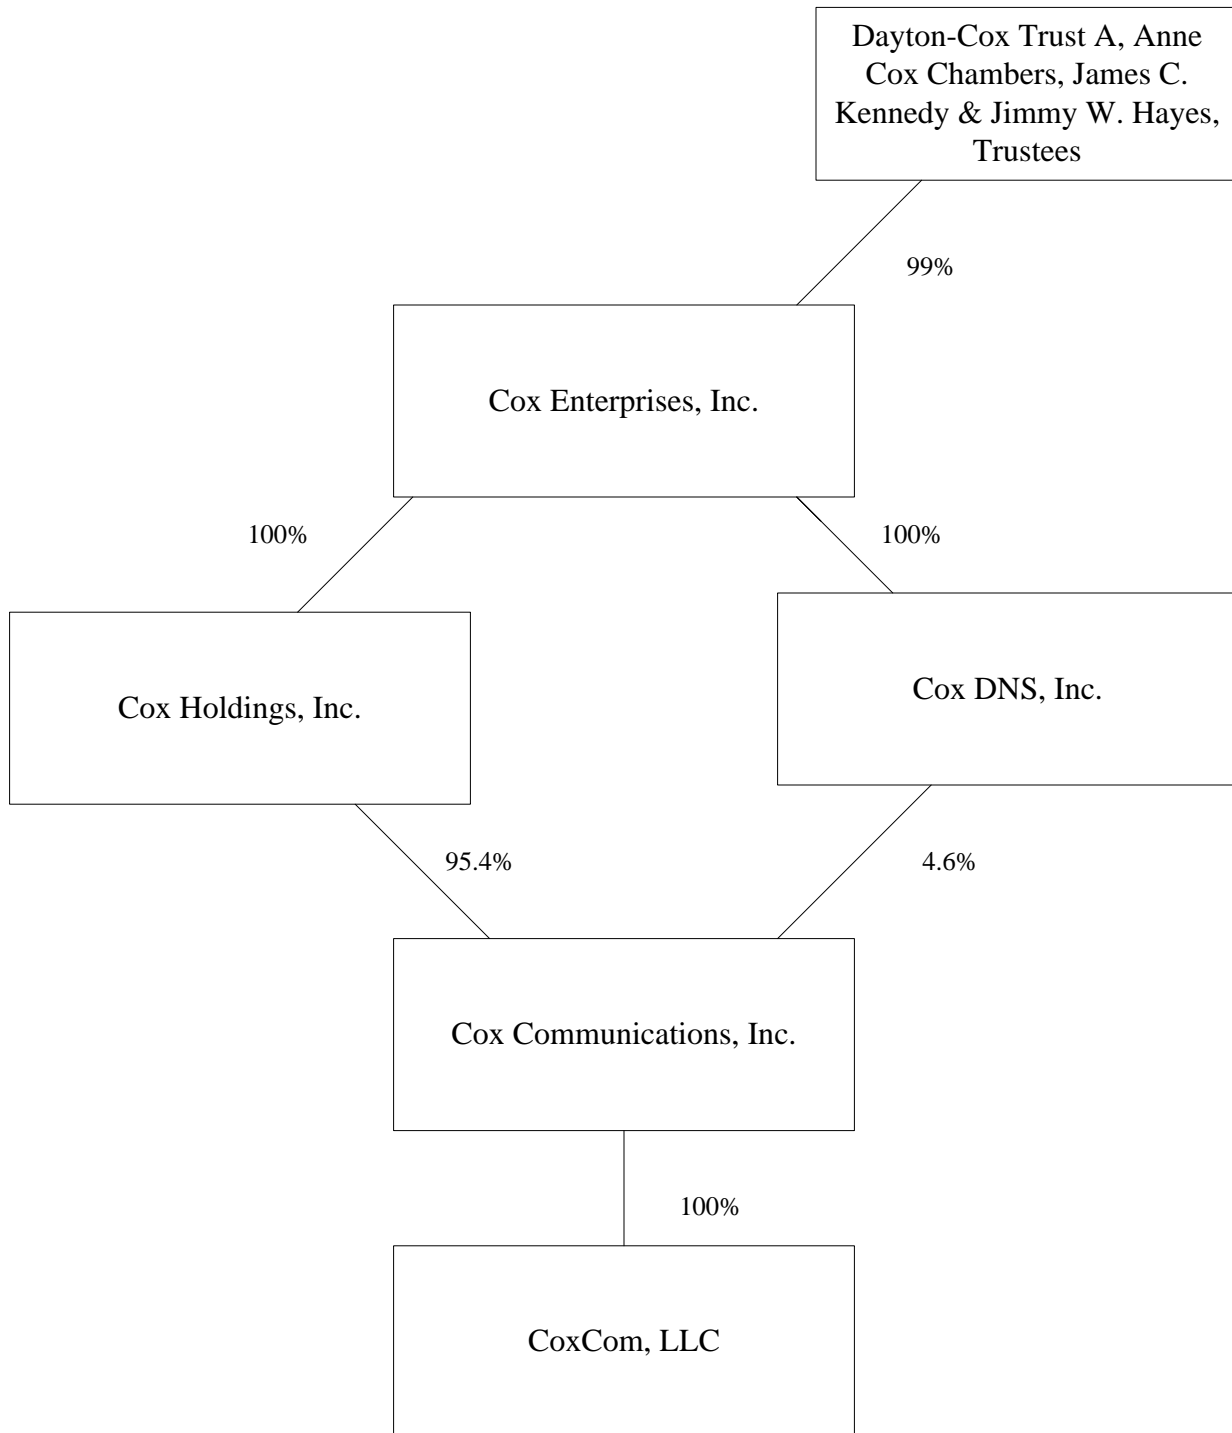

This application requests Commission consent to the *pro forma* transfer of control of CoxCom, LLC (“CoxCom”), the licensee of earth station E880923 (the “Station”).

Under the current ownership structure, CoxCom is 100% directly owned by Cox Communications, Inc. (“CCI”), which is 95.4% owned by Cox Holdings, Inc. (“CHI”) and 4.6% owned by Cox DNS, Inc. (“DNS”). Cox Enterprises, Inc. (“CEI”), which owns 100% of both CHI and DNS, currently holds a 100% indirect ownership interest in CCI. CEI is a privately-held company, with approximately 99% of its outstanding stock held by the Dayton-Cox Trust A (“Dayton Trust”), which holds both beneficial and voting interests in CEI. Through its ownership of CCI, CEI is the ultimate corporate parent of CoxCom.

As part of a planned internal corporate restructuring, CHI will be dissolved and its assets, including its ownership of CCI, will be distributed to CEI. As a result, following the transaction, CEI will hold a 95.4% direct ownership interest, and a 100% indirect interest in CCI. CEI will remain the ultimate corporate parent of CoxCom.

The current and proposed ownership structures of CoxCom are reflected in the attached corporate organizational charts.
