Dear Ms. Dortch:

Journal Broadcast Corporation, by counsel, hereby notifies the Commission that the *pro forma* transfer of control of the above-referenced earth stations, authorized in File No. SES-T/C 20120314-00264, was consummated on December 25, 2011.

As explained in the transfer of control application, although the merger was effective as of December 25, 2011, the FCC's prior consent was inadvertently not obtained and the application, which was granted on April 3, 2012, requested that the Commission approve the *pro forma* transfer of control *nunc pro tunc*.

Please associate this letter with the file of the above-referenced application and the earth station call signs referenced above.

Respectfully submitted,
