Re: Notice of Consummation
Earth Stations E880837 and 920241
File No. SES-T/C-20120821-00773

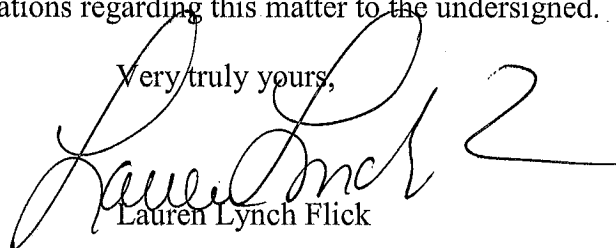

Dear Ms. Dortch:

On behalf of Standard General Fund, L.P., transferee in the above transaction, this letter is to notify you that the transaction was consummated on November 19, 2012.

This notice was timely tendered through the IBFS interface and by uploading in letter format, however, due to technical issues in IBFS, neither notice was accepted. Following discussions with staff, a second attempt to give notice by uploading it in letter format was made, but was again unsuccessful. Following the recent holiday, staff advised that submission in this manner is now occurring successfully, accordingly, this notice is filed at this time.

Please direct any communications regarding this matter to the undersigned.

Very truly yours,

Lauren Lynch Flick
