**Re: Notice of Consummation of Pro Forma Transfer
of Control; SES-T/C-20121206-01072**

Dear Ms. Dortch:

The Commission is hereby respectfully advised, on behalf of Reuters America LLC, licensee of three non-common carrier Earth stations (call signs E4309; E950436; and E930235), that all acts necessary to consummate the *pro forma* transfer of control authorized pursuant to SES-T/C-20121206-01072, were accomplished on December 26, 2012. It has recently come to our attention that, due to clerical error, a consummation notice was not previously filed. We respectfully request that the notice be accepted at this time.

Should any question arise with regard to this matter, kindly communicate with the undersigned.

Respectfully submitted,

A handwritten signature in blue ink, appearing to read 'J.G. Harrington'.

J.G. Harrington, Esq.

Under the authority of the Communications Act of 1934, as amended, the consent of the Federal Communications Commission is hereby granted to the transaction indicated above. The Commission's consent to the above is based on the representations made by the applicants that the statements contained in, or made in connection with, the application are true and that the undertakings of the parties upon which this transaction is authorized will be carried out in good faith. The actual consummation of voluntary transactions shall be completed within 60 days from the date hereof, and notice in letter form thereof shall promptly be furnished the Commission by the buyer showing the date the acts necessary to effect the transaction were completed. Upon furnishing the Commission with such written notice, this transaction will be considered completed for all purposes related to the above described station(s).
