International Bureau Staff:

In accord with informal instructions from the Bureau staff, Scripps Media, Inc. ("SMI"), through counsel, hereby provides notice of consummation for the three above-referenced involuntary transfer of control applications granted on February 12, 2013.

These applications (with an appropriate waiver request) sought Commission approval for a probate court-ordered transfer of control of SMI's satellite authorizations that was necessitated by termination of The Edward W. Scripps Trust.

Consummation, as effected by that court order, occurred on January 22, 2013.

Please contact the undersigned if you require any additional information.

Sincerely,

Kenneth C. Howard, Jr.
