File No. SES-T/C-20140612-00511
File No. SES-T/C-0140612-00512

Dear Ms. Dortch:

This letter shall serve as notification of the consummation of the transaction on July 25, 2014, whereby DP11 Holdings LLC purchased 100 percent of the outstanding stock of Rockwell Collins Satellite Communications Systems, Inc. ("RCSCS") from Rockwell Collins Inc. RCSCS became a wholly owned subsidiary of DP11 Holdings LLC. As a result, the transaction resulted in a transfer of control of the Federal Communications Commission ("FCC") satellite earth station licenses held by RCSCS from Rockwell Collins Inc. to DP11 Holdings LLC.

This letter shall also serve as notification that one of the six investors in DP11 Holdings LLC who were expected to hold the initial Class A membership interests, Salem Halifax Capital Partners, identified in the transfer of control application, dropped out of the investor group at the closing. Consequently, the ownership interest of each of the greater than ten percent Class A investors Triangle Mezzanine Fund II LP¹, Petra Growth Fund III, LP², Convergent Capital Partners III, L.P.³, and Banyan Mezzanine Fund II, L.P.⁴ increased to 23.07 percent.

Please contact me at the above number or email address or telephone number if you have further questions.

¹ The transfer of control application identified Triangle Capital Corporation. However, the investment at closing was made by Triangle Mezzanine Fund II LP, an affiliate of Triangle Capital Corporation.

² The transfer of control application identified Petra Capital Partners. However, the investment at closing was made by Petra Growth Fund III, LP, an affiliate of Petra Capital Partners.

³ The transfer of control application identified Convergent Capital. However, the investment at closing was made by Convergent Capital Partners III, L.P., an affiliate of Convergent Capital

⁴ The transfer of control application identified Banyan Funds. However, the investment at closing was made by Banyan Mezzanine Fund, II, L.P., an affiliate of Banyan Funds.
