

PUBLIC INTEREST STATEMENT

This application seeks Commission consent to the transfer of control of The Christian Broadcasting Network, Inc (“CBN”). CBN is the licensee of earth stations E930230, E970050, and WD58. CBN is a Christian ministry engaged primarily in television production and distribution. The earth stations are used in connection with the television production, network operations, and transmission services business operated by CBN. Accordingly, grant of the instant application will allow CBN to continue television service without interruption.
