Pre-Closing Ownership Structure

SeaMobile, Inc.

Post-Closing Ownership Structure

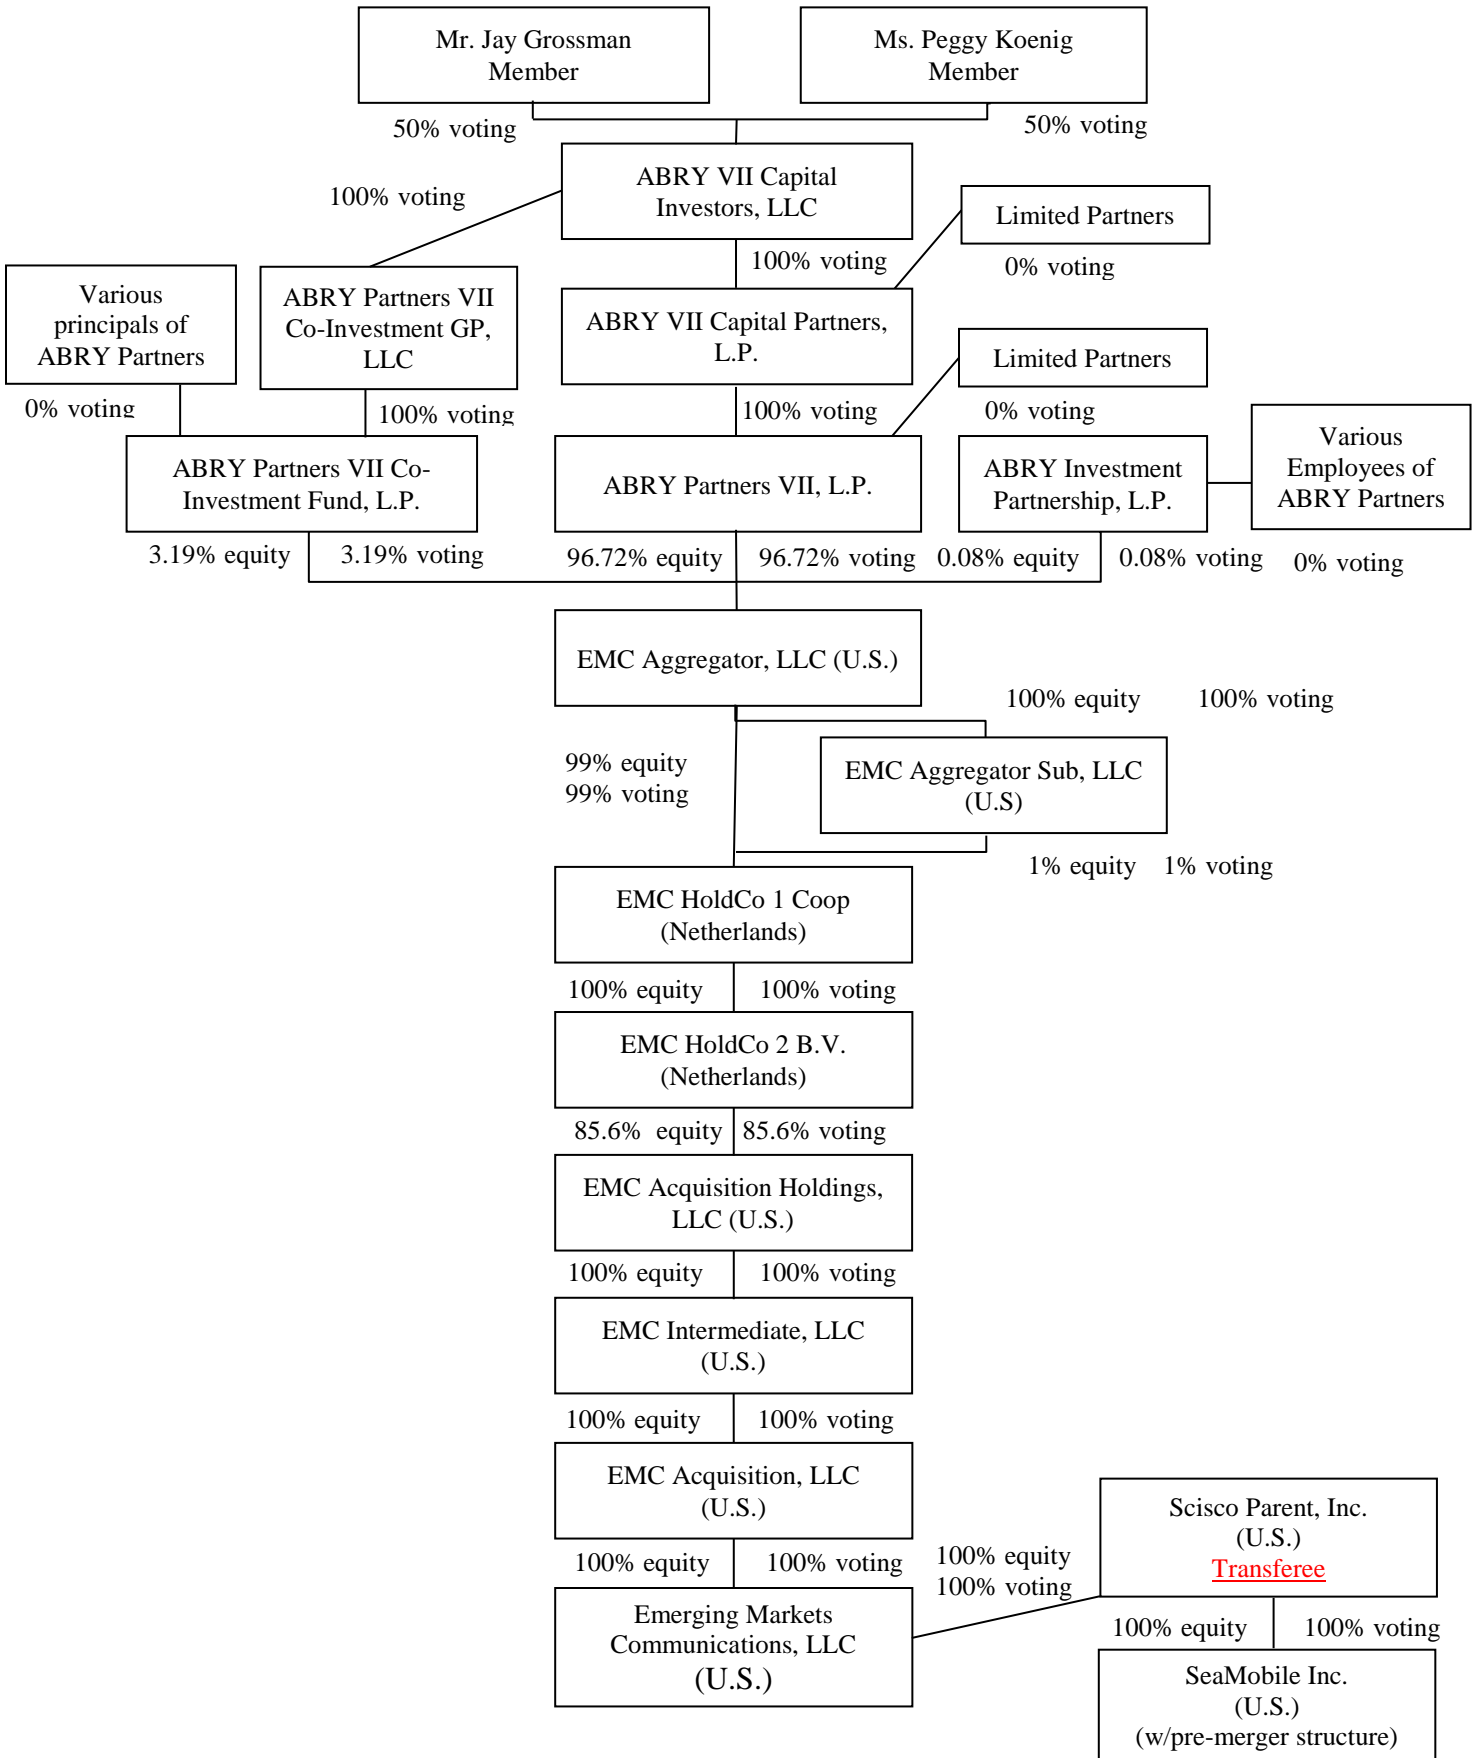

EXHIBIT F

Through this application, Emerging Markets Communications, LLC (“EMC”) seeks Commission consent for the proposed transfer of control of the transmit/receive satellite earth station licenses ultimately held by SeaMobile, Inc. (“SeaMobile”) to EMC’s wholly-owned subsidiary, Scisco Parent, Inc.

The post-consummation ownership structure for EMC is set forth in Exhibit E. ABRY Partners is a private equity investment firm focused solely on media, communications, business and information services investments.

The proposed transfer of control of the station licenses from SeaMobile to EMC serves the public interest and will cause no public interest harms because it will enhance EMC’s ability to provide competitive services to its customers. At the same time, the proposed transfer of control does not raise any competitive concerns. Therefore, the parties respectfully request that the Commission expeditiously approve the application.
