Subject: FCC Form 312 transfer application, File SES-T/C-20151102-00794, KOB-TV. LLC

Good morning Eleanor and Towanda,
Yesterday we filed a series of FCC Form 312 transfer of control applications involving various subsidiary licensees of Hubbard Broadcasting.

For the satellite earth stations, separate applications were filed for transmit/receive earth stations and receive only earth stations.

This morning we discovered that for the KOB-TV, LLC receive only earth station transfer application (under File No. SES-T/C-20151102-00794) the receive only earth station call signs are not listed. The three call signs contained under that File Number are E140014, E8169 & E980349. These are transmit/receive stations and are contained in the KOB-TV, LLC transmit/receive earth station transfer application under temporary File No. SES-T/C-INTR2015-02079, Sub ID: IB2015002079).

The three receive only earth station authorizations that should be contained under the KOB-TV, LLC receive only earth station transfer application (File No. SES-T/C-20151102-00794) are: E860354, E860369, & E920456.

Could you please advise on how you would like us to handle this?

Thank you,
