

## **EXHIBIT F**

The Earth Station that is the subject of this application is used in connection with the broadcast operations of the commonly owned television station WBOC-TV, Salisbury, Maryland, for news gathering and coverage of events of interest to the station's local community. An application for the *pro forma* transfer of control of WBOC, Inc., the licensee of WBOC-TV, Salisbury, Maryland, and WBOC-FM, Princess Anne, Maryland, has been filed with the FCC's Media Bureau.

The Transferee will continue to use the Earth Station in the same manner and for the same purpose as before the *pro forma* transfer of control of the license. Accordingly, grant of this FCC Form 312 would serve the public interest.
