

EXHIBIT F

Through this application NewCom International, Inc. ("NewCom") seeks Commission consent for the proposed transfer of control of two transmit/receive satellite earth station licenses (Call Signs: E040267 and E050018) from Jaime Dickinson to SpeedCast Americas, Inc. ("SpeedCast Americas").

SpeedCast Americas is an indirect, wholly-owned subsidiary of SpeedCast International Limited, an Australian publicly-traded company. SpeedCast Americas and its affiliates (together, "SpeedCast") provide satellite-based broadband access services, managed networking solutions and value-added services in more than 50 countries primarily in Asia-Pacific, the Middle East, Europe and Africa and a serve customers worldwide through their global maritime network. SpeedCast's customers include telecom providers, Internet service providers, governments and non-governmental organizations, and other enterprises requiring communication services in locations where wire-based communication is not possible or practical, or where mobility is required. The ownership structure of SpeedCast Americas is set forth in Exhibit E.

No change in the operation or use of the earth station is expected as a result of the grant of this proposed transfer of control. Grant of this application will enable NewCom to continue providing competitive non-common carrier services to subscribers. Accordingly, the public interest would be served by prompt consent to this application.
