Hi Carol,

A statement with the file no. and call sign listed to say just what you are telling me in this email about consummation.

We require multiple applications when the applicant/licensee is different.

I hope this was helpful.

Jeanette

Subject: Consummation Question
Importance: High

Hi Jeanette,

I was wondering if you could help me with something, please.

The attached pro-forma transfer of control application is not going to consummate.

How do I go about notifying the international bureau about this?

Also, when you file a Media Bureau application and there are multiple transferors/transferees, the form requires you to list all of the contact information for those parties. Is that something the International Bureau requires as well?

Thank you so much, Jeanette!

Carol
