

Description of Transaction and Public Interest Statement

This application seeks Commission consent for the transfer of control of earth station licenses from UltiSat, Inc. (“UltiSat”) to SpeedCast Americas, Inc. (“SpeedCast Americas”). The transfer of control will be accomplished through the acquisition by SpeedCast Americas of 100% of the issued ordinary share capital of UltiSat.

SpeedCast Americas is an indirect, wholly-owned subsidiary of SpeedCast International Limited, an Australian publicly-traded company. SpeedCast Americas and its affiliates (together, “SpeedCast”) provide satellite-based broadband access services, managed networking solutions and value-added services in the United States and more than 50 countries primarily in Asia-Pacific, the Middle East, Europe and Africa and serve customers worldwide through their global maritime network. SpeedCast’s customers include telecom providers, Internet service providers, governments and nongovernmental organizations, and other enterprises requiring communication services in locations where wire-based communication is not possible or practical, or where mobility is required. The ownership structure of SpeedCast Americas is set forth in Exhibit E.

Grant of this application will enable the continued use of the licenses to provide non-common carrier services to subscribers. Accordingly, the public interest would be served by prompt consent to this application.

List of Earth Stations

Pursuant to 47 C.F.R. 25.119(e), this exhibit identifies the call sign, station location, and expiration date of each earth station in this application.

Callsign	Location	Expiration
E130136	Terlingua, TX	09/17/2028
