Re: *Notice of Consummation of Transfer of Control -- Radiate Holdings, L.P.  
(Transferee) and Wave Holdco, LLC (Transferor)  
Earth Station Call Sign KJ98*

Dear Ms. Dortch:

On behalf of Radiate Holdings, L.P. (“Radiate”) and pursuant to Section 25.119(j) of the Commission’s rules, the attached FCC Form 312 provides notice that the above-referenced transaction was consummated. Radiate sought Commission consent to the transfer of control of other licenses (for which prior consent was required) on June 7, 2017.<sup>1/</sup> The Commission consented to the transfer of control with respect to those other licenses on August 30, 2017.<sup>2/</sup> The transaction closed January 24, 2018. The licenses covered by this letter and the associated FCC Form 312 permit the use of receive-only earth stations. Accordingly, no prior approval to transfer control of these licenses was required. Because this is a transfer of control, the holder of the above-referenced earth station license, WaveDivision III, LLC, a subsidiary of Wave, has not changed.

Please contact me if you have any questions regarding this notification.

Sincerely,

/s/ Seth A. Davidson
