

Exhibit F

This Form 312 Application is being filed pursuant to the Joint Plan of Reorganization of Cumulus Media Inc. and its debtor affiliates pursuant to Chapter 11 of the Bankruptcy Code (as amended, modified and supplemented from time to time, the “Plan”)¹ pursuant to which Cumulus Media Inc., Debtor-in-Possession (“Cumulus”) and certain of its direct and indirect subsidiaries will emerge from bankruptcy as reorganized entities (Cumulus as so reorganized, “Reorganized Cumulus”).

As stated in Exhibit E to this application, satellite earth stations E861076 and E870207 are licensed to Radio License Holdings LLC (“RLH”). Earth station E870207 is used in connection with radio station WLS(AM), Chicago, Illinois to facilitate broadcasts to the public. By filing this application, RLH has requested Commission consent to transfer control of the licenses for the earth stations from the current shareholders of Cumulus to the shareholders of Reorganized Cumulus after the entity emerges from bankruptcy. RLH submits that a grant of this application would serve the public interest because it would enable RLH, operating under the proposed transferees, to continue to operate E870207 and, in the case of earth station E861076, return the satellite earth station to service and thereby facilitate broadcasts to the public upon consummation of the reorganization.
