

**Exhibit F**

This Form 312 Application is being filed pursuant to the Joint Plan of Reorganization of Cumulus Media Inc. and its debtor affiliates pursuant to Chapter 11 of the Bankruptcy Code (as amended, modified and supplemented from time to time, the “Plan”)<sup>1</sup> pursuant to which Cumulus Media Inc., Debtor-in-Possession (“Cumulus”) and certain of its direct and indirect subsidiaries will emerge from bankruptcy as reorganized entities (Cumulus as so reorganized, “Reorganized Cumulus”).

As stated in Exhibit E to this application, satellite earth station E060165 is licensed to Cumulus Licensing LLC (“CLL”). By filing this application, CLL has requested Commission consent to transfer control of the license for the earth station from the current shareholders of Cumulus to the shareholders of Reorganized Cumulus after the entity emerges from bankruptcy. CLL submits that a grant of this application would serve the public interest because it would enable CLL, operating under the proposed transferees, to return satellite earth station E060165 to operation and thereby facilitate broadcasts to the public upon consummation of the reorganization.
