

Exhibit E
FCC Form 312
Schedule A, Question A20
Parties to the Application / Changes in Interests

This application is one of 11 concurrently-filed applications on FCC Form 312 (the “Applications”) notifying the FCC of the proposed transfer of control of The Walt Disney Company (“TWDC”) and its direct and indirect licensee subsidiaries. The transfer of control will occur as the result of a *pro forma* internal restructuring (the “Restructuring”) pursuant to which TWDC will become a direct, wholly-owned subsidiary of TWDC Holdco 613 Corp. (“Holdco 613”), a Delaware corporation.

As described in the Description of Transaction in Exhibit F to the Applications, there will be no change in the ownership of any of TWDC’s direct or indirect subsidiaries as a result of the Restructuring. The sole change will be that TWDC will become a wholly-owned subsidiary of Holdco 613. Immediately following consummation of the Restructuring, all of the attributable interests in Holdco 613 will be held by the same persons who held attributable interests in TWDC prior to the Restructuring. An organizational diagram depicting the pre- and post-transaction control structure of TWDC is included as part of Exhibit F.
