**Parties to the Application / Changes in Interests**

This application seeks FCC consent to the *pro forma* transfer of control of Viacom International Inc. (“Licensee”), the licensee of the authorizations that are the subject of this application. Licensee is a wholly-owned subsidiary of Viacom Inc. (“Viacom”). The transfer of control will occur as the result of a transaction (the “Transaction”) pursuant to which Viacom will be merged with and into CBS Corp. (“CBS”), with CBS as the surviving entity.

As described in the Description of Transaction in Exhibit F to the Applications, there will be no change in the control of Viacom’s direct or indirect subsidiaries, including Licensee, as a result of the Transaction. The sole change will be that Viacom will be merged with and into CBS. Immediately following consummation of the Transaction, all of the attributable interests in Licensee will be held by the same persons who held attributable interests in Licensee prior to the Transaction. In particular, National Amusements, Inc. (“NAI”), which today controls both Viacom and CBS, will continue to control the merged entity after the Transaction, and thus NAI will continue to control Licensee. An organizational diagram depicting the pre- and post-transaction control structure of Viacom is included as part of Exhibit F.
