

DESCRIPTION OF TRANSACTION AND PUBLIC INTEREST STATEMENT

HDNet FCC Holdco LLC (“Transferor”), HDNet FCC LicenseCo LLC (“Licensee”), and HDNet LLC (“Transferee”) hereby seek Commission consent for the proposed transfer of control of Licensee to Transferee. Transferee is an indirect subsidiary of Anthem Sports and Entertainment Inc. (“Anthem”), which is ultimately controlled by Leonard Asper, an individual.¹ The proposed transfer of control is part of a larger transaction involving the sale of a controlling interest in the family of HDNet companies from the investors in Transferor to Anthem. Licensee holds the earth station licenses listed Attachment 2, which are used in the production of video programming. Grant of the proposed transfer of control will allow the Licensee to continue normal business operations under the control of Transferee. Accordingly, the parties submit that approval of the application will serve the public interest, convenience and necessity.

¹ See Exhibit E.
