

Description of Transaction

The instant application is a notification of the involuntary transfer of control of Radio Vermont Classics, L.L.C. ("RVC"), the holder of fixed earth station registration E201894, from Kenley Squier to Glen Wright. The transfer of control was occasioned by Mr. Wright's appointment as successor trustee of the Kenley D. Squier Living Trust, which is the sole member of RVC. The Media Bureau has approved this transfer of control with respect to RVC's broadcast licenses under lead File No. 0000138288 (granted June 11, 2021).
