

Response to Item 42a

Use of Non-U.S. Licensed Satellites to Provide Service in the United States

Neither transferee P8 Holding 1 (“P8 Holding”) nor licensee ITC Global USA, LLC (“ITC Global USA”) plans to make any change in ITC Global USA’s use of non-U.S. licensed satellites to provide service in the United States as previously approved by the Commission. P8 Holding and ITC Global USA further specify that, pursuant to 47 C.F.R. § 25.137(a), the only non-U.S. licensed satellites that will be accessed by ITC Global USA’s earth stations are those included on the FCC’s Permitted Space Station List.
