Dear Secretary Dortch:

MTN Infrastructure TopCo, LP ("MTN Infrastructure"), Lumos Media, LLC ("Lumos Media") and North State Communications, LLC ("North State Communications") (Lumos Media and North State Communications, collectively the "Registrants" and, together with the Transferor and Transferee, the "Parties"), hereby notify the Commission of a *pro forma* change in the intermediate ownership of the Registrants, that resulted in the Registrants becoming an indirect subsidiary of Gridiron Fiber Corp. (the "*Pro Forma Separation*"), which is itself a subsidiary of the Registrants current parent, MTN Infrastructure.

As part of the *Pro Forma Separation* Lumos Media, LLC converted from a Virginia corporation to a Virginia limited liability company.

This Notice is part of a series of transactions that were completed on October 4, 2021 and resulted in changes to the ownership and control of MTN Infrastructure and its subsidiaries, including Lumos Media and North State Communications (the "Transaction").¹

Pursuant to Section 25.119(j) of the Commission's rules, approval was not required for the Transaction. Accordingly, this letter is intended to constitute a notice of the Transaction with respect to Registrant's receive-only earth station registrations associated with the above-referenced Call Signs.
