

Public Interest Statement

This application is being filed in connection with the transfer of control of Teton Opco Corp. from CMG Farnsworth Television Operating Company, LLC (“CMG”) to SGCI Holdings III LLC (“SCGI”). Teton Opco Corp., an indirect wholly owned subsidiary of CMG, is the licensee of the earth stations identified in Schedule A of this Form 312 application and also holds the license of broadcast television station WFXT(TV), Boston, Massachusetts (Facility ID 6463) (the “Station”), and the parties to this application are concurrently filing a transfer of control application in the Media Bureau’s LMS electronic filing system. The earth station is used in connection with the broadcast operations of the Station, for receipt of programming or other functions in connection with the operation of the Station. Grant of this Form 312 would serve the public interest by enabling the licensee to continue to use the earth station in the same manner and for the same purpose as before the transfer of control.
