

Public Interest Statement

This application is one of a number of applications being filed in connection with the transfer of control of TEGNA Inc. ("TEGNA") and its licensee subsidiaries to SGCI Holdings III LLC. The earth station(s) identified in Schedule A of this Form 312 application are associated with TEGNA broadcast stations and used in connection with TEGNA's broadcast operations for news gathering and coverage of events of interest to the station's local community. Applicants are concurrently filing transfer of control applications in the Media Bureau's LMS electronic filing system. Grant of this FCC Form 312 would serve the public interest by enabling the licensee to continue to use the earth station(s) in the same manner and for the same purpose as before the transfer of control.
