

FCC Form 312
Schedule A, Question A21
EXHIBIT F

Public Interest Showing

The instant application provides notice of the transfer of control of Licensee, the registrant of a receive-only earth station registration used in connection with KZNS(AM) and KZNS-FM, Salt Lake City, Utah (Facility ID Nos: 60458 and 87974) (the “Stations”), from Karen G. Miller to SEG Basketball, LLC. The application also provides notice that Licensee underwent a statutory conversion under the laws of the State of Utah, whereby Licensee converted from a Utah corporation to a Utah limited liability company with a new name, Jazz Communications LLC. Licensee’s employer identification number (“EIN”) did not change and there was no assignment of assets in connection with the conversion. Because Licensee changed only its entity status, and no new entity was formed in connection with the statutory conversion, the parties have not filed a *pro forma* application with respect to the conversion. The conversion was effectuated on May 21, 2021. The FCC Form 315 application, filed with the FCC’s Media Bureau for consent to transfer control of the Stations’ licenses on April 12, 2021 (*See* File Number 0000143387) received consent on May 25, 2021. The parties consummated the transfer of control on May 27, 2021.

The receive-only earth station registration identified in the instant FCC Form 312 application is used in connection with the operation of the Stations to serve the local community, and no change in the operation or use of the Stations will occur as a result of the grant. Accordingly, the public interest would be served by prompt grant of this application.
