Re: Request to Change FRN for Telecommunication Systems, Inc. International Signaling Point Codes

Dear Ms. Hsu and Ms. Downs:

I am writing to request that the International Bureau change the FRN associated with the following International Signaling Point Codes granted to Telecommunication Systems, Inc.: SPC-NEW-20101210-00023; SPC-NEW-20101210-00021; SPC-NEW-20101210-00019; and SPC-NEW-20101210-00018. The SPCs were granted to FRN 0020383923, and Telecommunication Systems, Inc. is requesting that International Bureau change the FRN to 0005049846. Both of these FRNs belong to Telecommunication Systems, Inc. and the Company is consolidating its licenses under FRN 0005049846. There is no Transfer of Control or Assignment involved with this request.

Also, the point of contact listed on the original applications has departed the Company. The new contact should be Mr. Kim Scovill, Senior Director, Legal and Governmental Affairs, 275 West Street, Suite 400, Annapolis, MD 21401. Mr. Scovill's phone number is 410-349-7097 and fax number is 410-295-1884. His email address is KScovill@telecomsys.com.

Please let me know if you have any questions.

With appreciation,

DLA Piper LLP (US)
