RE: Implementation status on ISPC Request SPC-NEW-20200413-0006

Please know that the SPC-NEW-20200413-0006 issued the ISPC code (3-046-6) to COMSAT. At a later date, the FCC replaced it with 3-027-1. There has been a delay in implementing this code. I expect it will be replaced within 60 days.
