RE: Call Sign E010077

Dear FCC:

The above mentioned license is from a Ku band truck/mobile earth station which our company, Skyler Media Services, owned from 2001 – 2002. This truck was sold to the U.S. Senate Recording Studio on 25 June 2002.

We no longer own this Temporary Fixed Earth Station, and are therefore surrendering our license.

Thank you,

Karen Eiler
