Re: Surrender of Uplink Licenses – Call Signs E960479 and E930002

Dear Ms. Domenici:

This letter is to confirm that ESPN, Inc. is surrendering the uplink licenses for E960479 and E930002. The antennas using these licenses have been disassembled and relocated to a point several hundred yards away, where they are covered by a newly-issued license. Please let me know if you require any further information.

Very truly yours,

Eric L Kemmler
