Re: Inmarsat Hawaii Inc., IBFS File No. SAT-LOI-20140326-00034, Call Sign S2923

Dear Ms. Dortch:

Inmarsat Hawaii Inc. ("Inmarsat") hereby surrenders the above-referenced grant of market access for a Ka-band satellite at the nominal 63° W.L. orbital location, which the Commission granted on September 18, 2014. It has become apparent that Inmarsat's plans for a satellite at this location are not currently feasible due to unresolved issues in the international frequency coordination process.

Inmarsat appreciates the diligent efforts of the Commission staff in this matter. Should you have any questions regarding this submission, please contact the undersigned.

Respectfully submitted,
