

Surrender Letter

02/24/2015

Dear Federal Communications Commission,

It is the intent of Associated Press to hereby surrender its FCC Call Sign E910542 effective immediately.

The satellite antenna and the 6 GHz transmission infrastructure, at 215 W. PERSHING RD., KANSAS CITY, MO, were shut down on February 8, 2012.

The authorization license is no longer required.

Sincerely,

A handwritten signature in black ink that reads "Richard Penna". The signature is written in a cursive style with a large initial "R".
