Re: Surrender of the International Section 214 Authorization of NewCom International, Inc.

Dear Ms. Dortch:

On behalf of NewCom International, Inc. ("NewCom"), this letter surrenders, effective immediately, the international Section 214 authorization of NewCom granted in IB File No. ITC-214-20040607-00220 (the "International 214 Authority").

Given that NewCom does not provide any international services between the United States and non-U.S. points that would require Section 214 authority, and therefore has no U.S. customers for such services, NewCom respectfully submits that it is not subject to the customer notification requirements of Section 63.19 of the Commission's Rules, 47 C.F.R § 63.19. Because NewCom does not currently provide common carrier international telecommunications services, NewCom respectfully submits that the surrender of the International 214 Authority is reasonable and necessary and will not harm the present or future public interest, convenience and necessity.

Should you have any questions regarding this filing, please contact the undersigned at (202) 373-6664.

Respectfully Submitted

/s/ Ulises R. Pin
