Re: ViaSat, Inc., IBFS File No. SAT-LOI-20160208-00016; Call Sign S2954

Dear Ms. Dortch:

ViaSat, Inc. (“ViaSat”) hereby surrenders the above-referenced authorization to launch and operate a Ka band geostationary satellite at the nominal 133° W.L. orbital location, which the Commission granted on October 5, 2016. ViaSat has determined that its original plans for this location are no longer viable based on a number of considerations. ViaSat is today posting bonds for its Ka band authorizations at the nominal 79° W.L. and 109° W.L. orbital locations.

ViaSat appreciates the diligent efforts of Commission staff in this matter. If you have any questions regarding this submission, please contact the undersigned.

Respectfully submitted,

/s/
